

Change password

To alter your password, first go to your profile page, then:

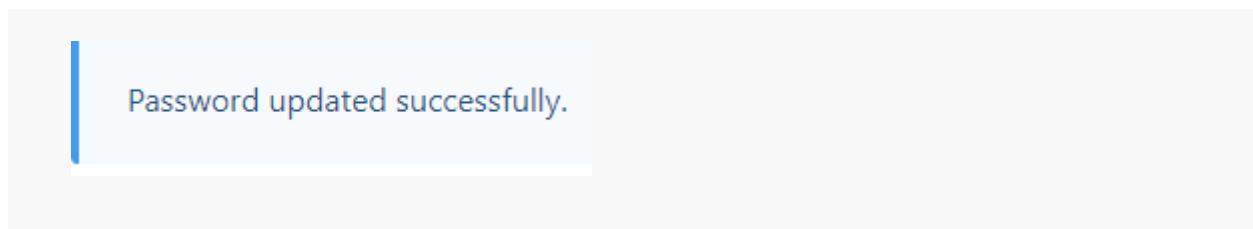

- Type your new password in the **New password** field
- Confirm your password in the **Confirm new password** field
- Enter your current password in the **Current password** field (for security reasons)
- Click **Change password** button to confirm the change

The screenshot shows a 'Change password' form with the following elements:

- Change password** (Section header)
- New password** 1 (Label with red number 1, followed by an empty text input field)
- Confirm new password** 2 (Label with red number 2, followed by an empty text input field)
- Current password** 3 (Label with red number 3, followed by an empty text input field)
- Change password** 4 (A gold button with a checkmark icon and red number 4)

A message confirms your password is updated:

Revision #3
